- c) Bidder shall have a solvency equal to or more than 35.00 lacs certified banker's statement not older than 6 months shall be attached.
- d) Available Bid Capacity-ABC must be more than the estimated tender cost.

Note :

1. Available Bid Capacity (ABC) will be derived by the following method.

ABC is calculated as  $ABC = (2 \times A \times N) - B$

Where,

- A = Maximum value of works executed in any one year during the last seven years (updated to present price level by applying enhancement factor) taking into account the completed as well as works in progress.
- N = Number of years prescribed for completion of the works for which tenders are invited.
- B = Value (present price level by applying enhancement factor) of existing commitments and on-going works to be completed during that next N year (period of completion of the works for which the tenders are invited.)

e). In financial criteria, enhancement factor at the rate of 10 % per year will be applicable to arrive enhanced financial amount at current financial year.

ii) Experience Criteria:

The bidder should possess following minimum work experience:

- A. Bidder should have completed at least One work of similar nature (i.e. SITC of Pumping Machinery with allied Electro-Mechanical works for sewage / water works pumping station) of 40% OR Two works of similar nature of 30% of the estimated S.I.T.C tender amount (Capital cost i.e Rs.1,98,03,610.00 ) of either Government / Semi-Government as a main contractor in period of last seven years from the month (i.e. from June-2020) of invitation of this tender and should have been successfully commissioned and in operation for at least one year.
- B. The bidder should have further additionally experience of successful completion of O&M of minimum one sewage/water pumping station at least for one year of the estimated cost of first year's O&M cost ( i.e.Rs.10.08 Lakh) of this tender shall consider as "work of similar nature" completed by bidder with specified above at (A) and considered for pre-qualification experience criteria for similar nature of works for the comprehensive O&M.
- C. Bidder shall be registered in GWSSB / State Government / Central Government/Local self gov. in Class 'B' (Monetary limit of Rs.100 Lakh to Rs.300 Lakh) and above of Electrical Department or shall be an original pump manufacturer of approved make having experience of similar work as specified above at A.
- D. Copy of original certificates duly notarized (original notarized copy) in support of above requirements shall be enclosed in hard copy for verification, certified by the respective employer or his authorized representative, not below the rank of an Executive Engineer or equivalent. Original Certificates of the same shall be produced for verification on demand by employer, failing which, will result in to rejection of tender.
- E. For the purpose of bid evaluation, the owner/owner's representatives if feel necessary to visit a pumping station as mentioned above by the bidder, the bidder shall make necessary arrangements/approvals for the same. Cost for the same shall be borne by the bidder.
- F. Note: Enhancement factor at 10% per year for last Seven years will be applicable to arrive annual turnover and finalize the magnitude of work done in last seven years.

(3) The bidder should not have been Black Listed by Government of India /Government of Gujarat or any State Board / Corporations, since inception of the firm/Company. A Declaration in this regard signed & Stamp with duly Notarized, shall have to be submitted along with the tender documents.
